

# STUDY METHODS AND ORGANIZATIONAL SKILLS

Learning Strategies to Maximize Success

## GRADE 3-5 8-SESSION PROGRAM

### Students will learn:

- 1 Organizational strategies for home and school
- 2 Study techniques and memorization tools
- 3 Test preparation and performance strategies
- 4 Project planning and time management tools and techniques
- 5 Reading comprehension skills

... and more!

This **academic program** encourages a **growth mindset** and strengthens **executive functioning** through discussions, activities, individual, and group work. Students gain a strong foundation of **organizational** and **study techniques**, **creating positive academic habits** for successful learning. The included **parent workshop offers** parents strategies to support their child during study time, supporting the sustainability of the program.
